

# Imprinted Umbrellas

METROPOLITAN GRAPHICS

Custom printed advertising umbrellas are an effective marketing tool. Umbrellas are ideal for both indoor and outdoor retail spaces. Images can be printed on the valance and/or segments. Whether it is a spot color print or a complex image, our cutting-edge screen printing technology will guarantee the best printing results, combined with superior color fastness. The print is equally visible on the underside of the umbrellas as it is on the upper side.

Tilt mechanism

- Description: 100% knitted polyester, Good air permeability and quick drying
- Cover: Multisol®L or Multisol®S fabric
- Frame: Steel alloy with white epoxy powder coating, built-in tilt feature
